Rector Writes

February 2018

The Rector writes about Lent

The rhythm of the year gives us Lent at the bleakest end of the winter when Spring seems a long time coming. And the traditional discipline of Lent – of giving up a luxury – makes the season even bleaker. Many people do give up a simple luxury in Lent, such as chocolate – and the pleasure of Easter eggs on Easter Day is all the more intense! This year Lent starts on Wednesday 14th February; Holy Communion at St.Mary's Church is at 10am. Easter Day – the end of Lent – is Sunday 1st April.

The goal in Lent is to make us see how dependent we are on things that our forebears would only have dreamed about: rich foods, regular alcoholic drinks, instant news communication, motorised transport constantly available. Leading a simpler life is what is on offer in Lent, to remind us of another way of life. But, of course, some things that began as luxuries have become necessities. To consciously abstain when in the company of others can be a cause of difficulty.

The Christian invitation in Lent is to a greater awareness of these things: that our lifestyle can hide from us our distance from being truly alive. Simplicity, honesty, wholesomeness and restraint may be unattractive but Christ calls us to be able to put his call first. 'Seek ye first the Kingdom of God', is Christ's demand. 'Love God and love your neighbour' are the two greatest commandments.

Clearing out the clutter is Lent's task, and making room for greater spiritual awareness. For a Christian that means making time to pray – to be quiet, to reflect, give thanks and put yourself consciously into the presence of Christ – your maker and redeemer.

Red Noses? No Laughing Matter

Thirty years ago this month, on 5th February 1988, Britain experienced its first Red Nose Day. 'Comic Relief', an American idea, had crossed the Atlantic in a uniquely British form. So suddenly red noses were everywhere. Lenny Henry and comedy script-writer Richard Curtis were its first pioneers, movingly expounding its simple basic principle: poverty, exploitation and famine are not funny, but well-known funny people could help those who were their victims. The first Comic Relief drew an audience of 13 million and raised five million pounds. Over succeeding years, the audience has never again been quite so large, but the amounts raised for the relief of poverty world-wide have hugely increased.

Getting a big TV audience is simply the first requirement of a telethon – a marathon televised charity project. Once Comic Relief achieved that audience, some of the most effective comedians in the UK did their stuff, sometimes live and sometimes recorded. Over Comic Relief's 30 years just about every well-known comedy performer in Britain, has contributed to the event. For several years a regular feature was an hilarious parody by Ian Hislop. The same comic stars also introduce films and interviews to remind viewers that this really is comedy with a purpose.

Once again, this month the red noses will appear – at school, at work, in shops and on the streets: a visible, bizarre reminder that all the world is not happy, but our laughter is that of sympathy, not ridicule. Next year the total raised by Comic Relief should pass a hundred million pounds, and that's no laughing matter.

Message from members of St. Mary's Mothers' Union

At the AGM of the Mother's Union held on 17th January in the Parish Hall, the general feeling of members was that we would like members of St. Mary's congregation to be aware of all the good work that is done within the MU organisation, one of the largest world-wide Christian caring societies reaching out far and wide.

Being new to the area and a member of the MU for many years, I have been made most welcome within the church and was enrolled into St. Mary's MU last July. This has given me comfort to settle into the area as everyone has been most kind and I feel I'm in a family of caring Christians.

Many of you we know lead busy lives, but perhaps you can take a moment or two to think you could come along and find out what MU is all about and share in one of our meetings.

Our meetings are normally held on the third Wednesday in the month at 2pm in the Parish Hall but check the Sunday before on the Service sheet for any changes.

Our programme has something for everyone with a variety of speakers and of course not forgetting the Tea and chat. We look forward to seeing you. We are a welcoming branch so please give us a try. You will not be disappointed.

What do you think of when you hear Church bells ringing?

Weddings? Special National Events, such as Remembrance Sunday? Or do you think of the picture of the village green with the sound of leather on willow and the local village church in the background?

You may have heard in the media that to remember the 1400 Church Bellringers who gave their lives in the Great War, the Central Council of Church Bellringers has set us the challenge to train 1400 new ringers so that on Sunday November 11th 2018 many more church towers will be ready to ring to mark 100 years since the Armistice.

At St Mary's, Alderley we have a long history of bellringing for Sunday Services, weddings and other 'special occasions' and we are keen to recruit new members to join us.

If you would like to learn a new skill, meet new friends and have fun we would love you to join us for our open weekend or practice night every Tuesday to have a go at ringing the bells.

OPEN BELL RINGING WEEKEND AT ST.MARY'S CHURCH IS SATURDAY & SUNDAY 17th & 18th MARCH.

Thank you to Mark Wilkinson and Will Ablett for arranging Text Giving and Online Giving for St.Mary's Church.

Text Giving: Text SUND05 £5 to 70070 to donate £5 (the £5 can be any amount up to £10).

Online Giving: go to www.alderleychurch.co.uk and click on 'Donate to St.Mary's Church, Alderley'. There is no limit to the amount that you can donate by using online giving.

More people use a card for all payments now and do not carry cash or a cheque book. That's why more and more parish churches have Text Giving and Online Giving. These methods also enable giving by people who want to support St.Mary's Church but who do not come to the church or who live at a distance away.

If you have queries about this please talk with Mark Wilkinson or Will Ablett.

Would you like to be Confirmed or do you know someone who would like to be Confirmed?

A Confirmation service will be held on Sunday 6th May, 10.00am, at St.Philip & St.James Church, Alderley Edge, to which we are invited.

If you would like to be Confirmed please let the Rector know by the beginning of Lent (14th February).

Women's World Day of Prayer

Friday 2nd March 2016

7.00pm

St Philips & St James

Women's World Day of Prayer is a global, ecumenical movement of informed prayer and prayerful action, organised and led by Christian women who call the faithful together on the first Friday in March each year to observe a common day of prayer and who, in many countries, have a continuing relationship in prayer and service.

The service is written by a different country each year and that country then becomes the focus of the world's prayers on the day itself, which begins as dawn breaks over the islands of Tonga in the Pacific and continues across each continent until the last services of this special day are held back in the Pacific, on the islands of Samoa, circling the world in prayer for 36 hours.

The origins of Women's World Day of Prayer date back to the 19th century when Christian women in the USA and Canada initiated a variety of cooperative activities in support of women's involvement in mission, at home and abroad.

The Benefice of Alderley with Birtles

During my first full year in post here, my main focus has been to support and encourage the excellent teamwork at both St.Mary's Church and St.Catherine's Church. My aim as Rector of the Benefice of Alderley and Birtles is for both churches to each develop their unique Christian character, learning from each other, working together and growing together. At St.Catherine's Church I am known as Vicar, but – Rector or Vicar – it all amounts to Christian ministry and leadership.

Behind the scenes a lot goes on to maintain both churches as fully functioning parish churches which serve an area wider than their geographical ecclesiastical parish. I am particularly aware that with new houses being built at Alderley Park, the population of both Alderley and Birtles will grow.

Kerry and I are delighted to be living at the Rectory. I am not a natural gardener but it is a great pleasure to maintain the Rectory garden and to play my part in keeping St.Mary's Church and environs a special place that is cherished by many from near and far.
