Rector Writes

March 2020

From the sermon preached by the Rector in both churches of the Benefice on 9th February 2020

On Saturday 1st February I celebrated my birthday with a small party. And the next morning I got up late, and went to Christ Church, West Didsbury for the morning service. Archdeacon Ian was here at both churches in the benefice to take the morning service when it was the celebration of Our Lord's Presentation in the Temple – Candlemas. There are at least three themes to Candlemas, and maybe Archdeacon Ian spoke about all of them.

Firstly, it was Simeon and Anna – the faithful, devout elderly worshippers in the Temple who recognised the Lord God when he came to his temple. Each of us is called to watch and pray, and to speak of God when He is revealed to us.

Secondly, the Temple was at the heart of Jewish worship. St.Luke records Joseph and Mary taking their son to the Temple, firstly at the occasion that we now know as Candlemas, and secondly at the age of 12. But after the Resurrection, Christians understood that Jesus was now the Temple of God, and that as the Lord lives in each one of us, so it is we who are now the Temple of God. This is at the heart of the New Covenant – or New Testament as the Book of Common Prayer calls it – in Christ. No longer is a building the focus of God's presence with us: now it is you and me.

Thirdly, this has profound implications for the church. It is through the church that the Lord lives and witnesses: the church as the body of Christ risen and active and inspired by the Holy Spirit. Each parish church is ultimately not the building that stands in its parish, but the people who comprise that church. And every parish church is entrusted to discern its mission and ministry, its priorities and particular concerns. It's not somebody else's responsibility: it's ours. We are given this freedom and responsibility in Christ. Parish churches are always challenged, because our high calling can be hard to live up to. Some parish churches are on the up, and some parish churches have seen better times. Some parish churches take wrong turnings. All parish churches are vulnerable to inter-personal dynamics. All parish churches have within them pure gold, treasure of the soul, and beyond price, and that is why we are passionate. This is the astonishing Christian revelation: that we are, together, entrusted with this truth and this treasure, and that it is within the parish church that we, together, show this truth and treasure to this parish, for better or for worse. Under the authority of the Bishop – for whom the Archdeacon is his representative – every parish church is nurtured. and encouraged to thrive.

Things have been difficult since May, when prospects for parish re-organisation were put forward. It has been unsettling for all concerned, and by giving a date for my retirement – just over 24 months away now, it has concentrated minds. I have endeavoured to withdraw from the debate so that each of the two churches fully takes responsibility for their respective futures. Each Parochial Church Council

FOOD BANKS

St.Mary's Church has a long-established link with the Oasis Centre at Gorton. Please leave in the basket at the back of church donations of non-perishable food, clothes and baby requirements which will be taken to Oasis. Our partner church of St.Catherine, Birtles now also collects items for Oasis: these are brought to St.Mary's Church regularly by the Rector.
<http://oasisgorton.org/>

The churches in Alderley Edge run food banks for the Alderley area. St.Mary's and St.Catherine's Church supports this work by prayer. If you would like to give practical help to the local food banks please contact the Rector and he can put you in touch with those who run these food banks.

Let's get Messy Church started!

Revd Jon Hale writes

Messy Church is a great way for families with pre-school children and children in Key Stages 1 & 2 to meet.

Messy Church provides a range of art & craft based activities, all with the same Bible story theme. There are also quieter activities like a prayer-writing table and a table with quiet games and books. These activities run for the 50 to 60 minutes of Messy Church. Then 'story time' is held, when the theme Bible story is told - and maybe other stories too, and the art & craft works of the afternoon are part of telling the story. The prayers that have been written are said and an attractive song or two are sung. That lasts for about 20 minutes. While 'story time' is taking place at one end of the Hall, the tables are being set up for tea.

After 'story time' we all enjoy tea and chat together.

I will lead Messy Church, and I am looking to establish a team of about 6 people to run it.

Four people have now come forward to form the team with me – all of us at the grandparents end of the age spectrum. Are there two or three younger adults with school age children who would like to join the Messy Church team?

Please email me on alderleyandbirtles@gmail.com or phone on 01625 585440 to let me know you'd like to join the team. *Full Safeguarding procedures will be followed at Messy Church.*

The Rector will remain with St.Mary's Church one Sunday each month after the 9.45am service

When I was first in post I engaged retired clergy to occasionally take the 11.15am service at St.Catherine's Church so that I could remain with St.Mary's Church after its 9.45am service. After a while this became difficult to arrange because the retired clergy who had served this benefice in the interregnum were less willing or able to assist in this way. Being new to the Diocese, I was not acquainted with stipendiary and self-supporting ministers in the Deanery, and I did not feel able to ask them for help on a regular basis. And the principle is that each benefice is to be reliant on the ministers who are licensed to that benefice: lay ministry and ordained ministry. In recent months I have been conversing with my clergy colleagues, and arrangements are now being made for a lay or ordained minister to be responsible for the 11.15am service at St.Catherine's Church once a month so that I may remain with St.Mary's Church after its 9.45am service.

If you are considering authorised lay ministry or ordained ministry, please let me know

At the end of the Morning Service coffee and biscuits are often provided by a stalwart group of volunteers in the Parish Hall.

Donations will be given to charity.

SOCIAL COMMITTEE

On Monday February 10th. We held the Annual Bridge Drive. With many people pulling together it was a tremendous success. We sold 13 tables and made a profit of £630.00 after expenses. This to go to the PCC account. A huge thankyou to everybody who helped.

We are now planning the Spring Lunch outing. This is on Tuesday March 24th 12.00 pm for 12.15 pm at Nottcutts Garden Centre. Woodford. We thought about a change of venue but decided everybody seemed to like the Garden Centre. Please let me know by Saturday the 22nd if you can join us. If you have not been before do consider it.

Sunday 22 March is Mothering Sunday. Hope to have special Coffee after morning Service. Usual plea for help which never bears any fruit? If anybody can lend a hand please let me know. As age and infirmities catch up continuation becomes more difficult.

We are continuing to do Coffee on a Sunday morning whenever possible.

St Mary's becomes sustainable!

At the last meeting of the PCC it was agreed that St Mary's would become a sustainable church in view of the mounting evidence surrounding climate change. It was felt that, as a church, St Mary's should set an example and try to guide others into helping combat this huge problem.

What does this mean for St Mary's? It means offsetting our carbon footprint, looking at everything we do and the resources we use and see if there is a better way to reduce our consumption of energy and materials. Also making sure that anything that is used is recycled to the best of our ability.

We should like to leave a planet that is habitable not only for our grandchildren but also those who follow them. The science tells us that we are getting very close to the 'tipping-point' where the climate will not be able to recover and so it is a responsibility on all of us to address this problem and see what we can do to help.

In future issues of the Parish magazine I will focus in on specific areas to help give some ideas as to how things may be improved. In the meantime if you can look at everything you do and ask yourself is there a more environmentally friendly way it can be done that would be a very good start!

I will be very happy to talk to anyone about this my number is in the magazine.

Will Ablett

(continued from page 1)

Each Parochial Church Council has now agreed the future direction of travel that its parish church wants to take, so that when I retire their situations then may be measured against what they hope for as of now.

I will now provide encouragement and support to both parish churches as they pursue the path that each has agreed. St.Mary's wants to achieve significant increase in giving, with the aim that my replacement at St.Mary's is full-time only for St.Mary's. St.Catherine's accepts that it will be joined to at least one additional parish church in future.

Whatever the future holds, prayer is the foundation of the church. When we pray together we listen to God; we wait on God; we come before God just as we are; we talk with each other; we know ourself for the person we truly are.

The World Day of Prayer (used to be Women's World Day of Prayer) is at St.Mary's Church - Friday 6th March 2pm.

Prayer for the process of discerning who is being called to serve as the next diocesan bishop will be held at Macclesfield, St. Michael's Church, at 2pm on Thursday 12th March.

Pray about the future of our benefice.

Pray for each other's church in the benefice.

Pray for each other, as we make our way through this brief mortal span.

Pray for yourself, that you may know what is your Christian calling in future, in the midst of a changing church.

I am in St.Mary's Church at 9.15am every Thursday to read the Bible and to pray in Morning Prayer – please come and join me!

May the grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with us always.

Spreading the Word at Alderley Park

On 1st February a new community freesheet started for Nether Alderley: **Nether Alderley News**. This is produce jointly by St.Mary's Church and Nether Alderley Parish Council.

It will be published and delivered to all homes in Nether Alderley six times per year. Alderley Park is a new residential neighbourhood in both parishes of our benefice. 1000 people will soon move in to the houses and apartments that are being built. Already the areas of occupied homes have a feeling of optimism and hope for the future as new lives are made in a delightful new setting.

If St.Mary's Church can produce and deliver a community freesheet at Alderley Park in the alternate months with Nether Alderley News, we can keep in touch with households at Alderley Park and invite them to worship and other events.

Diocesan Prayer Intentions for March

The Benefice of Alderley & Birtles lies within the Diocese of Chester and the Deanery of Knutsford. Throughout the year, on a daily basis, you are invited to hold in prayer all aspects of Diocesan life in Christ. This is the Diocesan Cycle of Prayer.
